ENERGY-EFFICIENT AIR CONDITIONER

Up to 14 SEER | ANX13

Distinguishing features:

Energy Efficiency

Energy efficiency equates to cost savings. Your Amana brand ANX13 Air Conditioner offers up to 14 SEER energy-efficiency performance. "SEER" stands for Seasonal Energy Efficiency Ratio, a measure used by the U.S. Department of Energy to rate the cooling efficiency of air conditioners and heat pumps. The higher the SEER, the greater the efficiency—and the lower the operating cost. Compared to lower SEER units found in many homes, an Amana brand ANX13 Air Conditioner provides significant savings on your electric bill.

Quiet Performance

You can be assured that your Amana brand air conditioner will provide you with quiet operation. To minimize operating sounds, we've acoustically engineered our systems with enhancements such as a specially designed sound-control top.

How the Amana® brand makes your decision easier

The purchase of an indoor comfort system is not one to be taken lightly. However, it's one you can make with an air of confidence when you consider all that distinguishes the venerable Amana® brand.

Comforting craftsmanship

Innovative engineering, world-class manufacturing processes and the relentless drive to ensure each unit lives up to our uncompromising standards — these attributes define the Amana brand and result in the premium performance homeowners have come to expect from an American legend. Assembled in facilities in Tennessee and Texas, Amana brand products are built to last and last and last.

Confidence-inspiring compressor

With Amana brand air conditioners, your comfort and savings start with an energy-efficient compressor designed to provide years of reliable cooling comfort. The compressor is complemented by our durable, high-

efficiency condensing coil, which is made with corrugated aluminum fins and refrigeration-grade copper tubing.

*The security of the Amana brand's amazing limited warranty**

To truly seal the deal, an Amana brand ANX13 Air Conditioner is backed by an industry-leading limited warranty*. In fact, all Amana brand air conditioners feature a 10-Year Parts Limited Warranty*. The longevity of premium Amana brand products combined with this excellent warranty* coverage offers you a level of purchase protection that's the stuff of legend.

**LIMITED WARRANTY*
PROTECTION**

* Complete warranty details available from your local dealer or at www.amana-hac.com. To receive the 10-Year Parts Limited Warranty, online registration must be completed within 60 days of installation. Online registration is not required in California or Quebec.

Amana
LASTS AND LASTS AND LASTS.®

The Amana® brand ANX13 Energy-Efficient Air Conditioner advantages:

- ✓ **Energy-Efficient Compressor** – Designed to provide years of reliable cooling comfort, it provides up to 14 SEER cooling performance for lower energy bills compared to lower SEER compressors.
- ✓ **Single-Speed Condensor Fan Motor** – With advanced fan design, it provides dependable, quiet airflow across the condensing coil.
- ✓ **Efficient Cooling Capacity** – Five millimeter, refrigeration-grade premium copper tubing and aluminum fin condenser coil configuration deliver outstanding heat transfer properties with R-410A refrigerant.
- ✓ **Factory-Installed Inline Filter Drier** – Protects the refrigerant system from dirt and moisture for longer service life compared to a unit without a filter drier.
- ✓ **Heavy-Gauge Galvanized Steel Enclosure with Sound-Control Top** – With advanced fan design, it provides dependable, quiet airflow across the condensing coil.
